1. Personnel Strength - Dr. Scoville confirmed that his Greenbrier meeting produced agreement from the Air Force that they would provide personnel strength at thus alleviating the very real DPD overstrength problem. The details of how this arrangement might work were not discussed, and was asked to put the negotiation in motion.

2. Conversion to Staff Employment of - After a considerable discussion of the merits of granting staff employment to people without formal technical training, it was agreed that versatility and availability argued in favor of granting immediate staff employment. Although this decision is firm, Dr. Scoville asked that discussions be undertaken with to see to what extent, if any, this decision would present problems for him.

3. DPD Consultants - With respect to the listing of present DPD consultants as contained in DPD 2254-62, Dr. Scoville said he wished to retain all but . He asked that be notified that we planned to terminate contract.

4. Joseph Cannon Bailey Management Seminar - reported that Colonel White had asked him whether the DD/R would be able to support the Bailey course if it were given for two weeks in late September or early October. It is open only to GS-15's and supergrades, with a preference for the latter. Dr. Scoville said he would attempt to have at least one participant from the DD/R but could not guarantee even that.

There will also be the one week course for the GS-14 level in June and Dr. Scoville said he thought it would not be possible for the DD/R to participate in that.
